

Re-Opening of Reliance Home Factory & Showrooms

Dear Valued Customer,

We are open on 13-05-20 (Wednesday), In accordance with the Federal and State Government's new standard operating procedure, we continue to work closely with the authorities guidelines.

Meanwhile, the safety and well-being of our customers and our Reliance families remain our utmost priority. New Covid-19 SOP guidelines have been set for all factory, office operation, retail showrooms and our customers and your compliance with the SOP is imperative to ensure safe deliveries and purchase experience for all parties.

We understand that adjusting to a new normal has been challenging. At Reliance Home, we support Malaysians in creating a safe, easy and better home renovation experience. Stay inspired, stay safe.
