FEATURES & BENEFITS

SLIDING DOOR series

Also known as a suspended or trackless sliding door, this modern system runs on a top-mounted rail with no bottom track, keeping your floor clean and damage-free.

It offers full space-saving functionality with smooth and silent operation. Made from premium aluminium, it is rust and waterproof, lightweight yet durable, and built for long-lasting performance with minimal maintenance. Fully customizable in size, style, and finish, it delivers a sleek, minimalist look suitable for tight spaces, bedrooms, bathrooms, offices, and partitions.
